Katarina line highly recommends clients to take insurance against cancellation of reserved services! Katarina line offers a complete travel insurance package (travel health insurance, personal accident insurance, private liability, luggage insurance & Trip cancellation).

Due specific mooring conditions and requirements in some Croatian ports, Katarina Line ships are moored side by side, making it necessary for the clients to cross from one ship to another with gaps in between ships in order to get to the shore. In such cases clients need to take special care when crossing and do this at their own risk. Crew assistance will be given to those needing and requesting it. Cruise not recommended for clients in wheelchairs or with limited mobility.

Katarina Line and the captain of the vessel reserve the right to change and modify the route due to weather conditions as well as conditions in the ports visited. The order of visits may be different than published in case of ports being overly crowded and too busy and with the intention to give the customer a better experience overall.
